PROFILE

Operations and administrative professional with over three years of combined experience and a Bachelor of Commerce in Business Technology Management. Coordinate bookings, maintain accurate records, and follow up across teams to keep daily work moving. Build Excel trackers, workflow automation, and AI-powered tools to improve recurring processes and documentation. Bring careful attention to data quality, experience testing tools against team needs, and hands-on use of Claude, ChatGPT, Codex, and Replit.

EXPERIENCE

Senior Concierge May 2025 – Present
Fitzrovia Real Estate *Toronto, ON*

- Review assignments, charges, and scheduled concessions in Yardi to identify billing discrepancies and flag corrections for follow-up.
- Developed an Excel tracker for approximately 200 guest suite bookings over the past year; automated check-in/check-out emails using Power Automate.
- Developed and tested an AI-powered shift note dashboard, reducing preparation time per entry from approximately 2 minutes to 30–45 seconds (approximately 63–75% less time).
- Coordinate amenity bookings, move-ins, and contractor appointments with residents, managing availability, confirmations, and schedule changes.
- Created SOPs and system guides and trained colleagues on recurring workflows, incorporating feedback to improve clarity.
- Built a tracker for 8 elevators that informed contract negotiations and approval of a $10,000 equipment installation; the template was adopted at other properties.
- Built a BOND issue tracker used by management to document, escalate, and follow up on BOND and SALTO system issues.

Studio Administrative Assistant & Tattoo Artist March 2023 – May 2025
Sanctuere Tattoo Studio *Toronto, ON*

- Coordinated client appointments from initial inquiry through booking, preparation, and follow-up, managing artist availability, confirmations, and schedule changes.
- Maintained organized, confidential client records and waivers; established intake workflows to collect complete and consistent information.
- Standardized client correspondence for booking requirements, appointment preparation, and follow-up, supporting clear and consistent communication.
- Supported daily studio administration, internal communications, and onboarding, identifying practical improvements to booking and documentation processes.

EDUCATION

Toronto Metropolitan University Toronto, ON
Bachelor of Commerce, Business Technology Management *Graduated October 2025*

- Relevant coursework: IT Project Management, Operations Management, Business Process Management, Database Management Systems, Systems Analysis and Design.

Professional Development: The Odin Project — Web Development Curriculum (in progress)
